

Residential Preventative Maintenance Service Agreement

HELP Service Company can offer our customer a variety of Service Agreements on the Heating and Air Conditioning systems in your home. There are several choices to make it easy to find one that suits your needs.

Comfort Assurance Agreement

Two pre-season inspections each year
Priority Service over non-agreement customers

Our inspections include the following checks:

Thermostat	Blower Assembly	Re-align drive parts	Controls
Refrigerant	Heat exchanger	Safety controls	Disconnects
Gas valve	Flue pipe	Heating elements	Burners
Amps	Pulleys and belts	Electrical Connections	Limit Switch
Filter	Drain line	Heat exchanger	Contactors
Voltage	Drain pan	Evaporator coil	Relays
Noise	Condenser Coil	Electric heaters	System safety

The benefits of the Comfort Assurance Agreement are:

10% discount off parts
New Digital programmable thermostat with lifetime warranty
\$50 credit for each agreement year towards a new system
Monthly billing options

Additional Comfort Assurance Agreement benefits are:

Discounted Labor
First AM call of the day is Free
\$50 coil cleaning
Add a second system to the agreement for only \$200
More than two systems ... call for quote
\$50 to add your humidifier to the agreement
\$50 to add your electronic air cleaner to the agreement

Exclusions:

Does not include weekend or after hours service
Does not include refrigerant leak repairs
Does not include compressor replacement
